SUWS Member Meeting – Cedar City Library

President Presiding – Hannah Milling

Taking Minutes – Teri Rochford, Secretary

Hannah Milling:

Asked members to invite anyone that does other mediums to join us as we now accept any mediums.

Reminder that Julies Workshop is this Friday and if you haven't paid please do so.

Michael Clark, Vice Pres.

He went over the changes at the book store where we display paintings.

They are remodeling the store, so he took out all our paintings. He got a new cable hanging system for our painting and hired someone to install it.

Also from now on we will have to handle our own sales if someone wants to buy a painting. Subjected for each member displaying, use Vinmo and that way a payment to the account can be made directly to you.

Hannah Milling:

Introduced Jennifer Rasmusson, she gave a demo on Composition & her process for abstract.
