SUWS Member Meeting – Cedar City Library

President Presiding – Michael Clark

Taking Minutes – Michael Clark

Just a report of the SUWS Mtg

We had an excellent presentation by Tiffany Marchant. She showed several examples of work and then did a demo on how to start a landscape painting with oils. She did an underpainting then used color overlays.

I had the forms available for new memberships and passed out the attached flyers. I also gave you a "shout out" for the revision of our website. You did a great job.
